Baiduri b.Digital Business is a digital platform which enables your business to access your accounts and perform various financial transactions.

Companies and businesses will first need to be registered. Your company will be assigned a unique Corporate Group ID. One or more users can be created on for each organization on this platform along with their access permissions to various functions and accounts

After all individual IDs of the organization have been created, each company user will receive 2 emails;

- **The first email will contain the user's Corporate Group ID, User ID and a link to login.**
- **The second email will contain the Temporary Password for first time activation.**
- **Use Digital token (generated via Baiduri b.Digital Business mobile app) for the 2FA Authentication**

Once you have logged into the platform, you can perform certain functions depending on the type of permission access you have been assigned, for example:

- | | |
|---|--|
|  Initiate Transfers, Bill Payments |  View current day transactions of all their accounts |
|  Upload payment files |  View and download account statements |
|  Manage Payees, Manage Billers |  View the execution status of the payment instructions from the bank |
|  Approve Transfers, Bill Payments |  Download the payment transactions & statuses as reports |
|  View latest balances of all their company accounts | |
