### Commentary

Period from 13 January 2020 to 13 February 2020

#### DBS (-2.61%)

DBS reported a 14% rise in quarterly profit, just above market estimates, on broad-based business growth. DBS expects the coronavirus outbreak to hurt full-year revenue by as much as 2% after Southeast Asia's biggest lender topped market estimates with a strong rise in fourth-quarter profit.

#### SingTel (0.31%)

Singtel is teaming up with Southeast Asian ride hailing firm Grab to bid for an online banking license in Singapore, the first such partnership that could spur a shake-up of the city state's financial sector.

#### CapitaLand (-5.34%)

CapitaLand posted sparkling fourth-quarter results with net profit almost doubling to S\$26.6 million for the three months ended Dec 31 from S\$475.7 million previously. It maintains unchanged dividend of 12 cents per share, as prudent measure to enable the group to remain resilient during the uncertainty over Covid-19 outbreak.

#### Keppel (-1.75%)

The asset management arm of Keppel Corp, has entered into a shareholders' deed with Australian Unity to form a 50:50 joint venture (JV) company. Australian Unity provides services in healthcare and finance, as well as retirement and living services.

#### Singapore Airlines (-4.02%)

Singapore Airlines Ltd will temporarily cut flights across its global network in the three months to May, as a coronavirus epidemic hits demand for services to the Asian city state, as well as through the key transit hub.
